Employee's Kids Fun Day

On June 1st, our training room of our Head Office was transformed into a vibrant playground as we hosted a fun-filled day for the children of our employees. The event was brimming with excitement and joy, featuring a range of activities from carom and chess to old energetic games and dance. The laughter of children filled the air as they enjoyed delicious snacks, and made new friends.

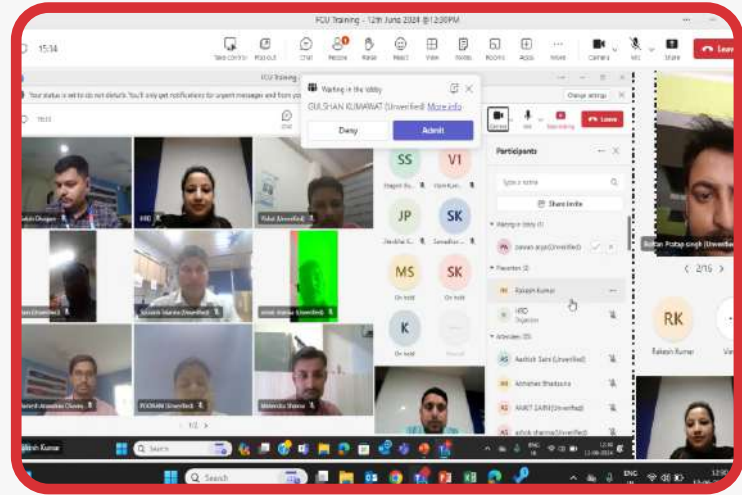

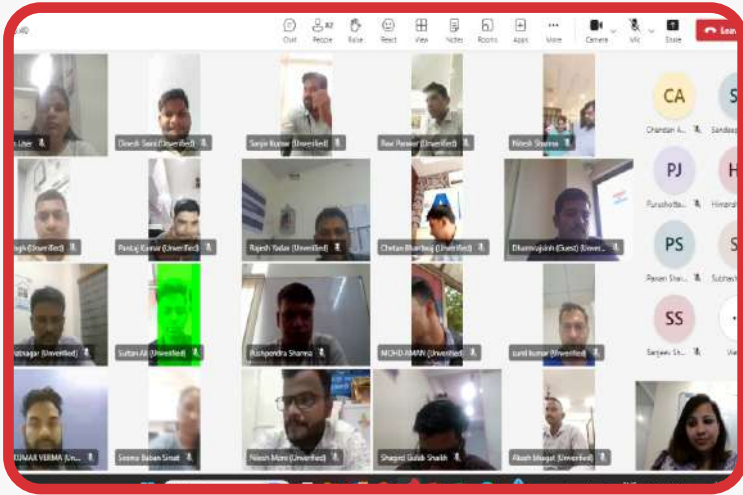

International Yoga Day Celebration

On June 21st, We embraced the spirit of wellness and mindfulness by celebrating International Yoga Day with enthusiasm and dedication. All ARTisians come together for a rejuvenating session of yoga and meditation, led by a certified instructor. Employees from all departments participated, experiencing the myriad benefits of yoga, including improved flexibility, stress reduction, and enhanced mental clarity.

Trainings

For the successful integration of new employees, a well-structured training program is crucial. We have a program known as Shakti Program, which offers a thorough understanding of business functions so that newcomers can rapidly grasp the organization's operations, processes, and interdependencies. This program equips new employees with the knowledge they need to excel in their roles and drive the company's success.

Long Service Award

Cheers to our team members for celebrating 3rd work anniversary. Your dedication and contributions have been pivotal to our success. Thank you for being an essential part of our journey. Here's to more achievements together.
